The Dental Hub is committed to providing our clinicians with superior online CE that should enhance outcomes and reduce risk. For this reason, the Dental Hub has collaborated with xpAPce, an online educational site, to provide CERP-approved, academically vetted CE provided by renowned scholars from around the world 365 days, 24/7. Lectures cover topics within the specialties of endodontics, implants, sleep apnea, surgery, and periodontics and more, including courses for paraprofessionals.

When you register for an xpAPce course via the Dental Hub, you will receive a 20% discount on all courses.

Using the specific Dental Hub code, click on the course link. You will be automatically connected to the online community. Register and create your own password, then logon. Once in the eLEARNING section, launch your course and enter the Dental Hub course code in the payment box to receive a 20% discount. To take additional courses, please return to the Dental Hub for the appropriate discount code. After completing each course you will receive ADA-CERP credit.
